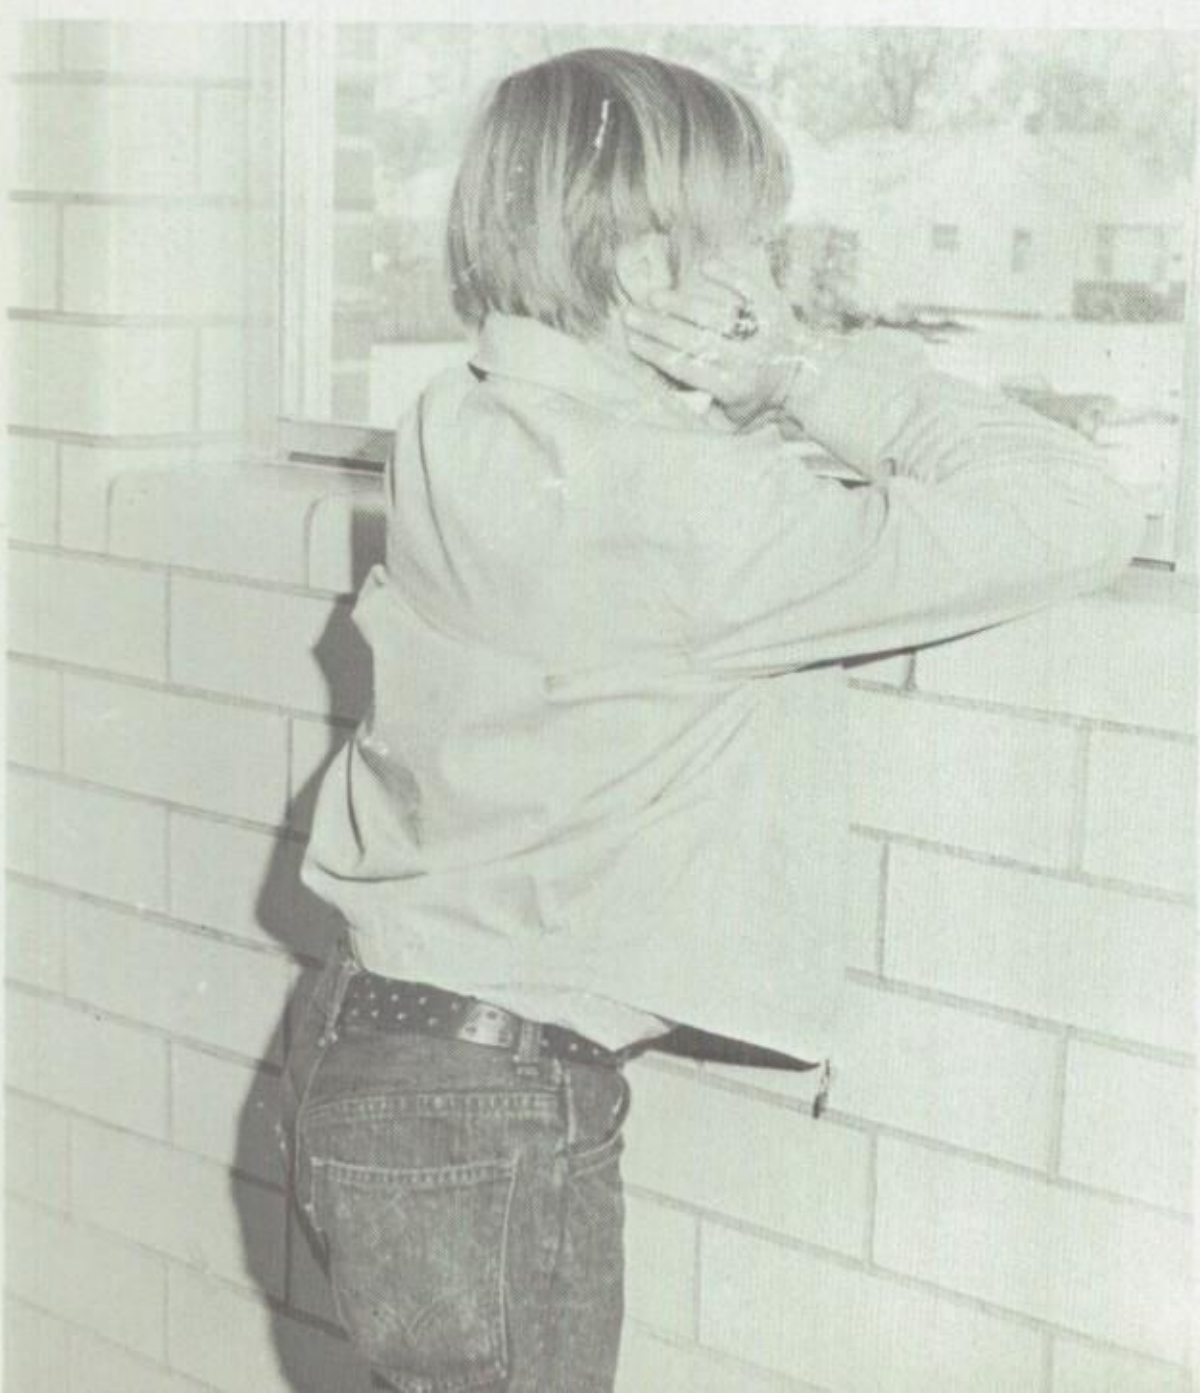
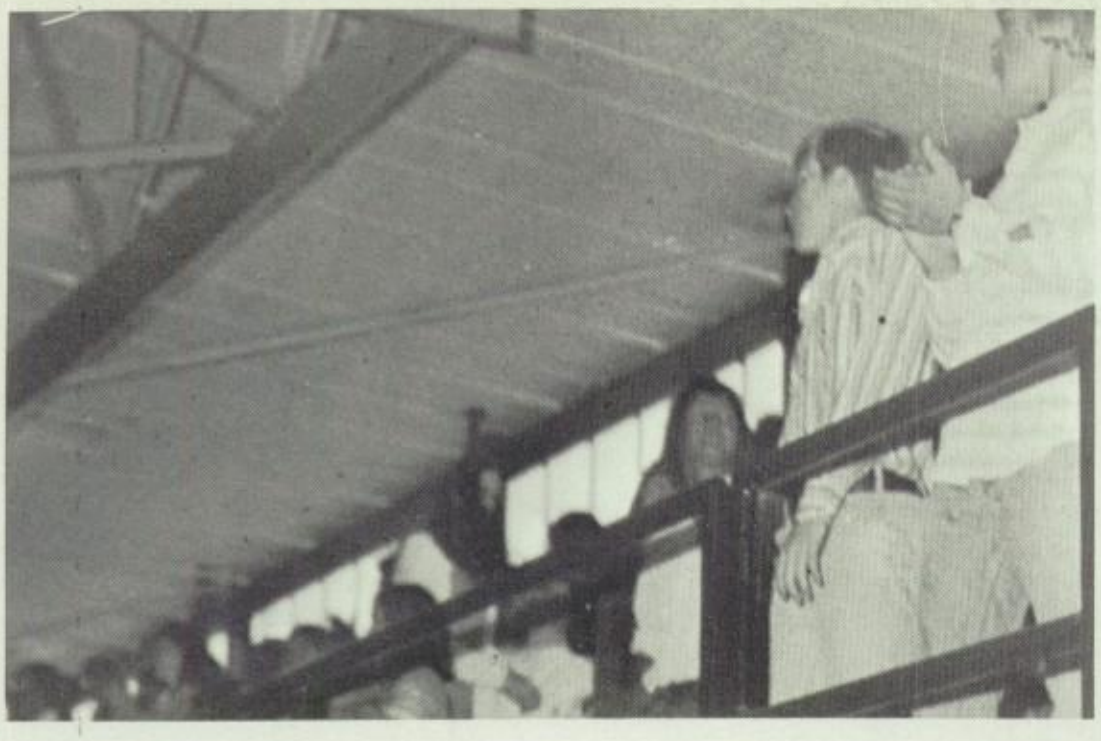
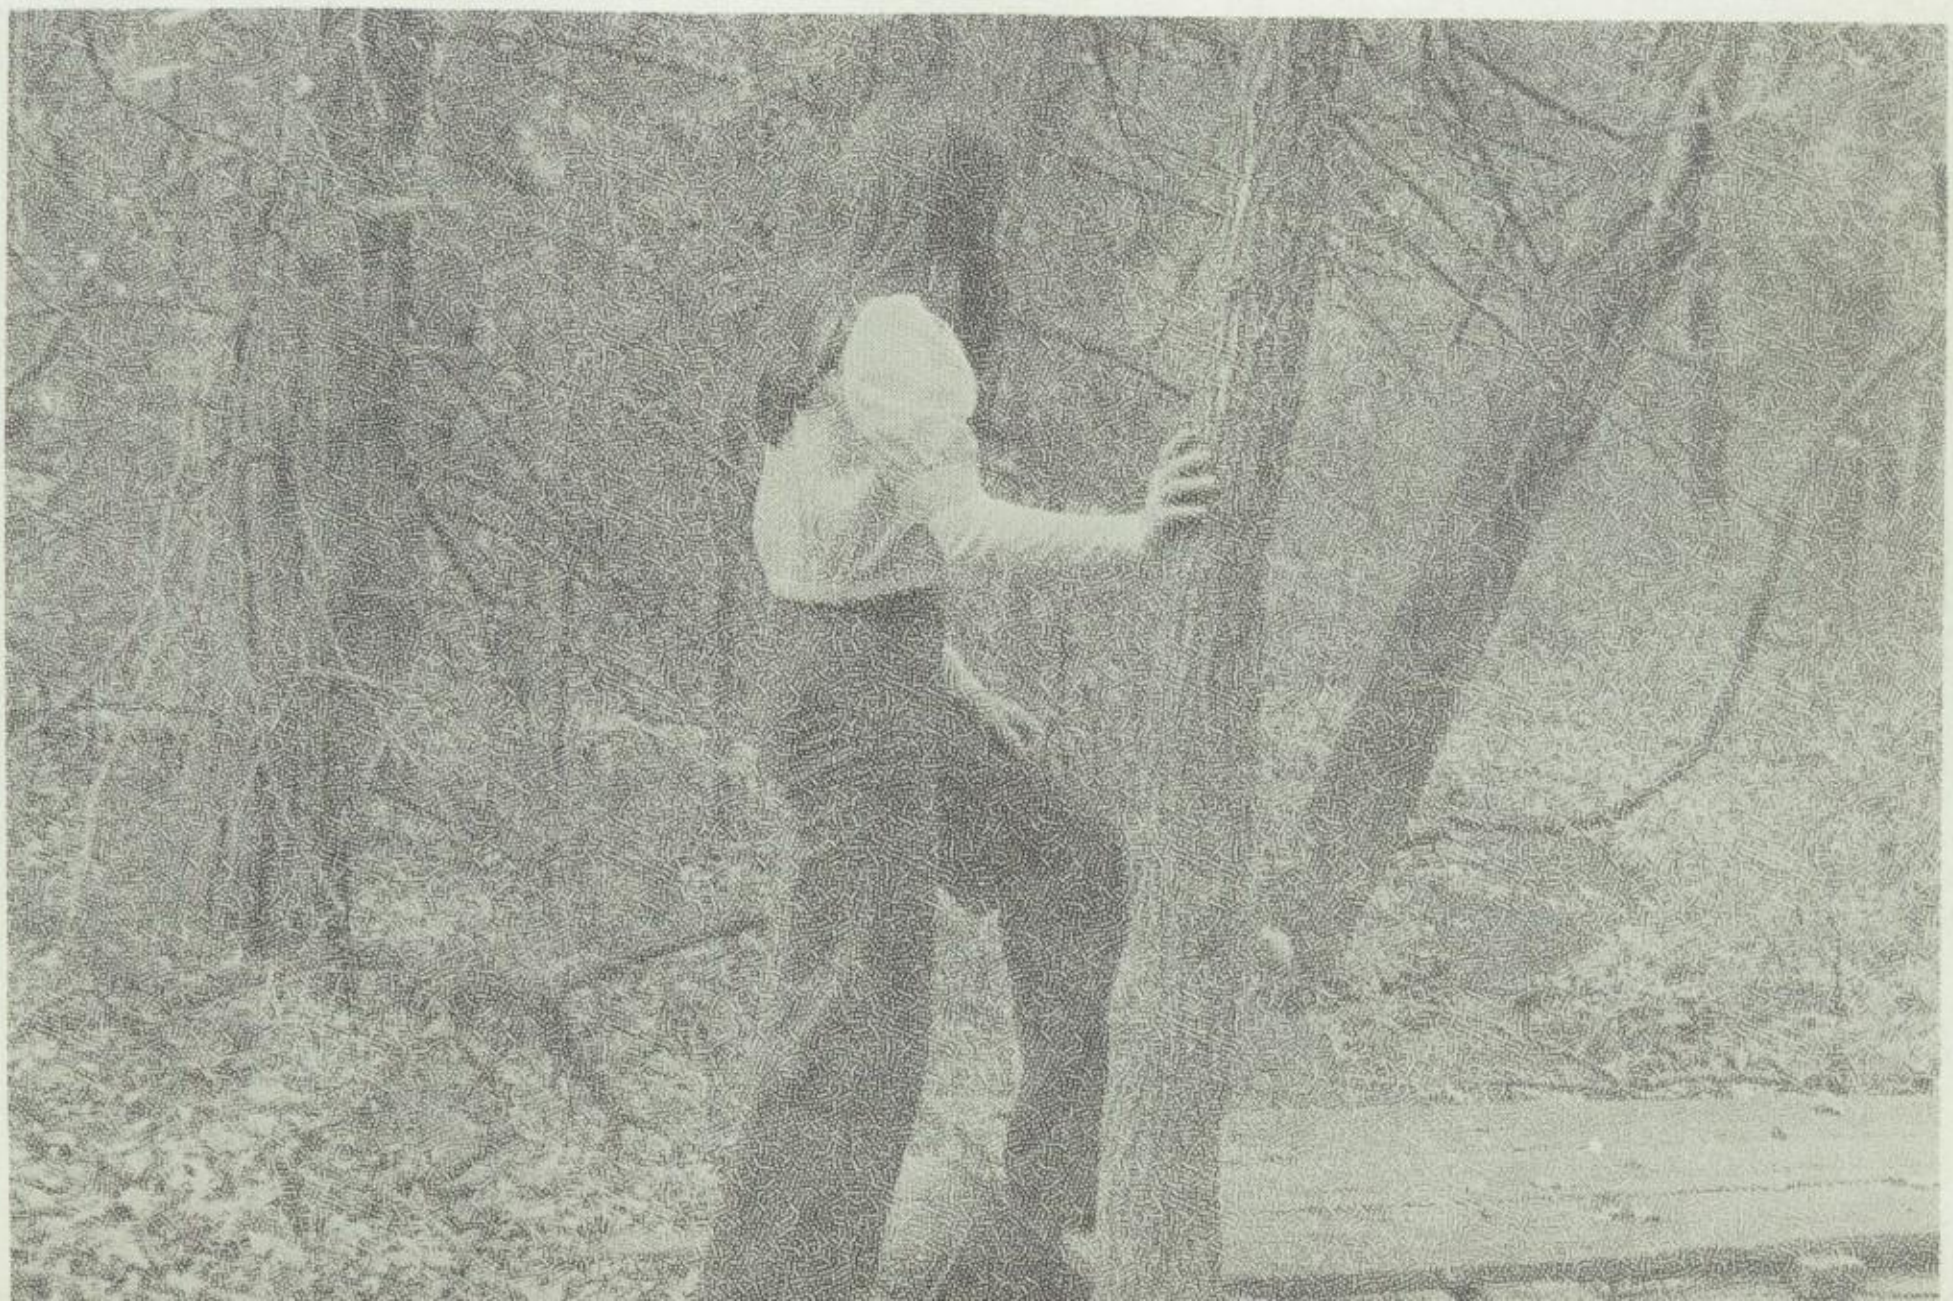
I AM

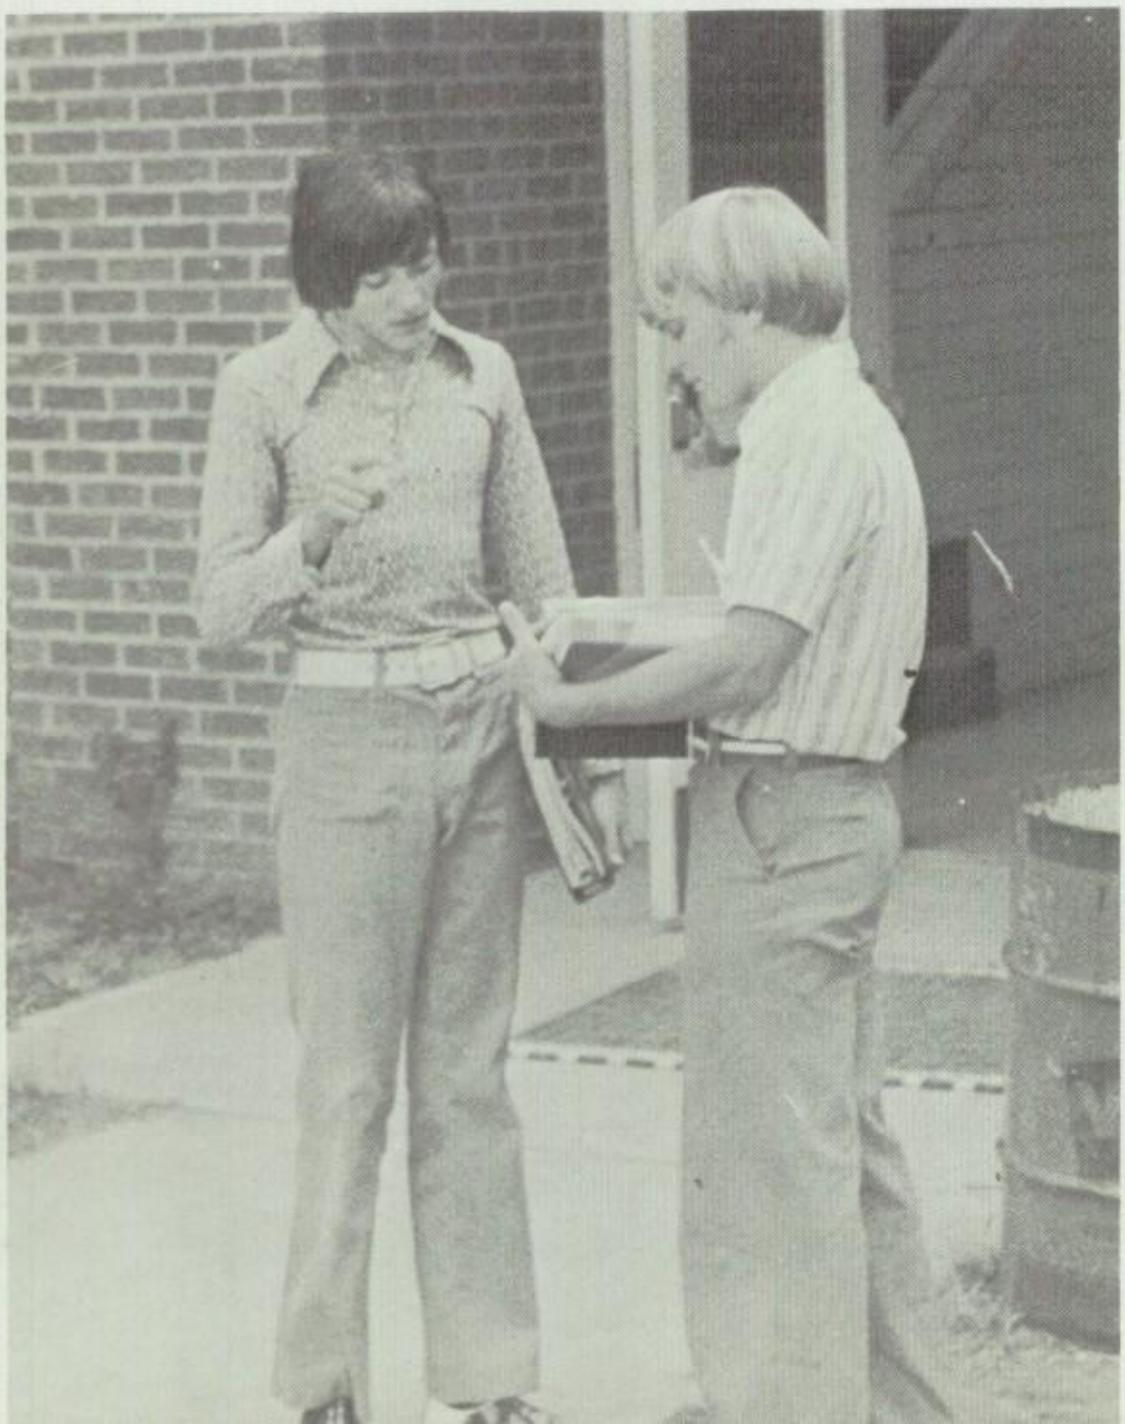




I am unique.

I am different.





You can appreciate how enormously satisfying it is for me to discover at last, through full realization, that just as I am; I lack nothing.

"I hardly know, sir, just at present- at least I know who I was when I got up this morning, but I think I must have changed several times since then."

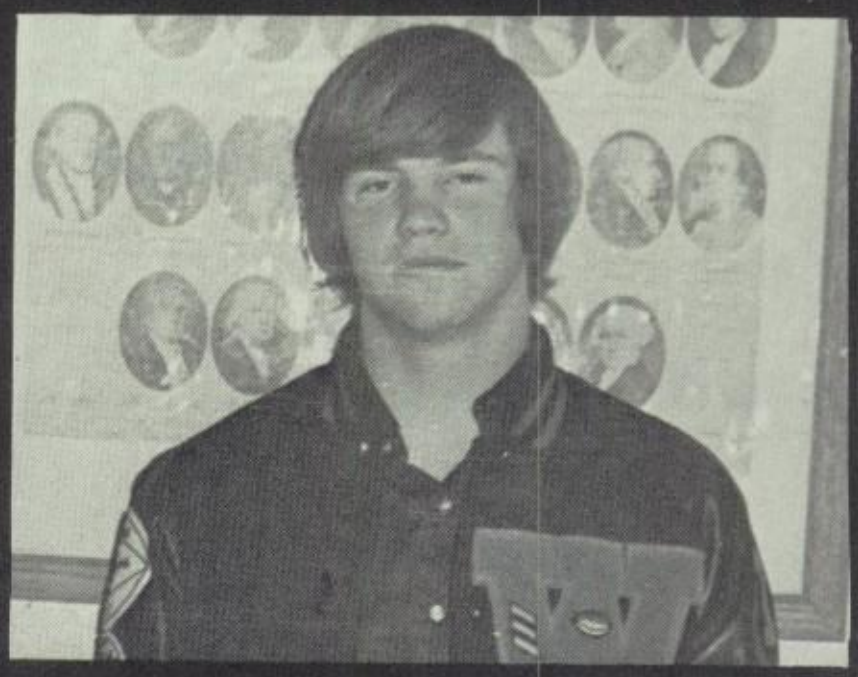
BOOMERS TAKE DISTRICT

BOOMER Captains for 1973 were Brian Clothier (10), Keith Stephenson (45), Greg Gentry (60), and Kyle Phillips (1).

BOOMER Managers for 1973 were Neil Wingo, Randy Myers, Jim Via, and Jim Cummings.

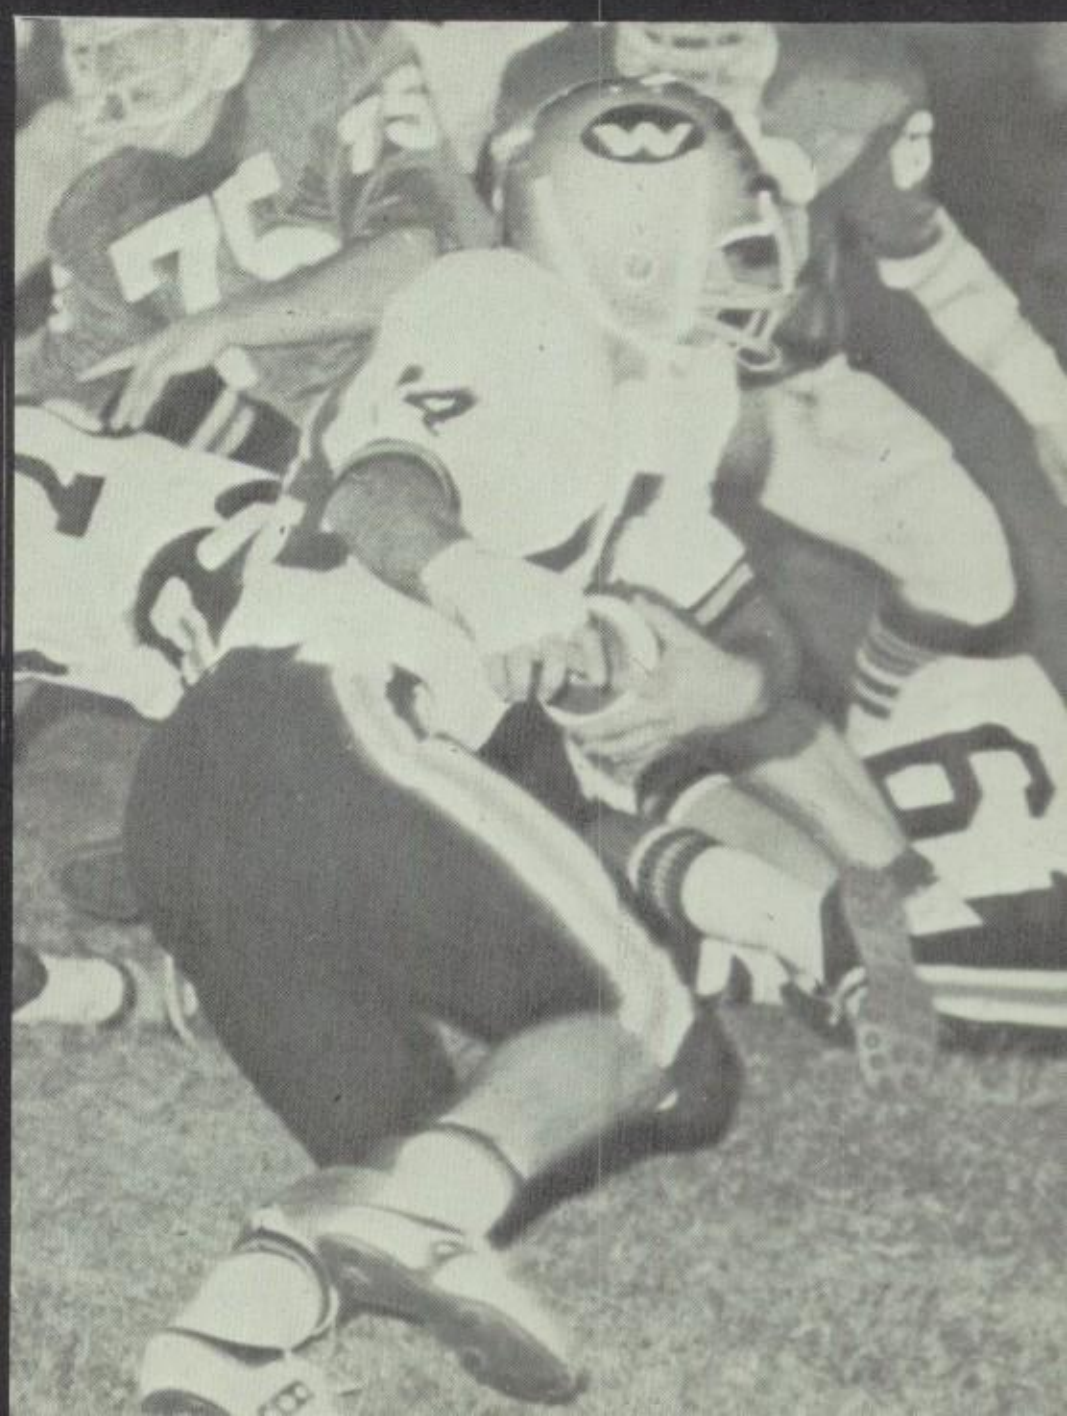
Kyle Phillips walked away with many honors for himself and the Boomers this past year as he was named as an All-State Quarterback by the Daily Oklahoman, the Tulsa World and the Enid Morning News. Phillips was also selected as the "Offensive Player of the Year" by the Enid Morning News.

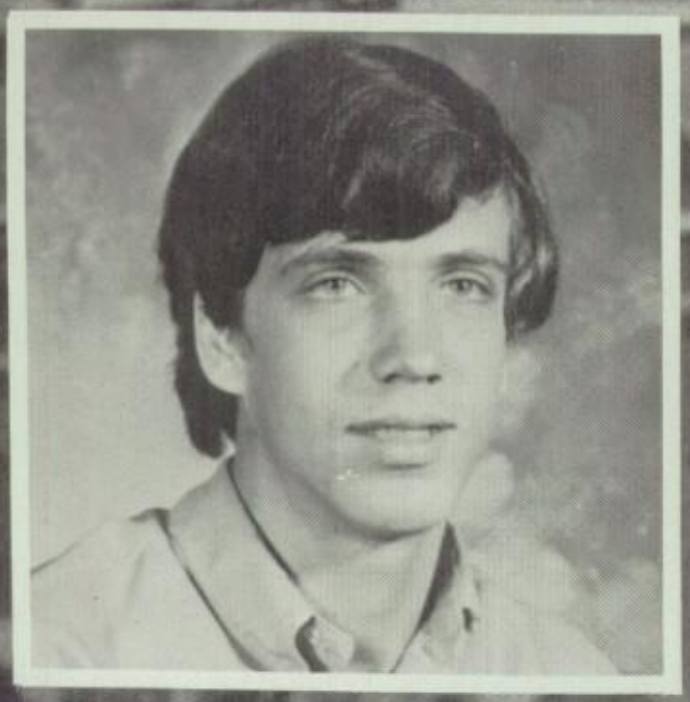
Phillips completed 112 of 185 pass attempts this year for 1,663 yards and was a leader and integral part of the Boomers advancing to an 8-2 record.

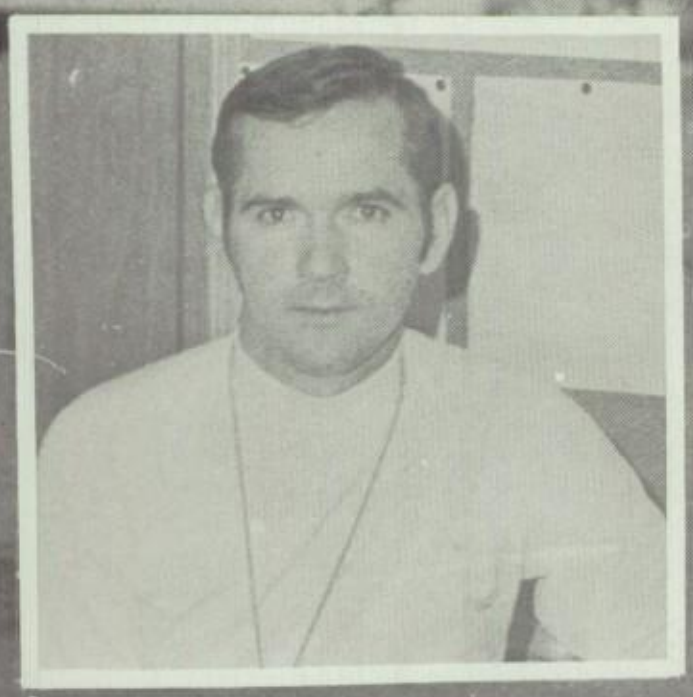


Mike Reed was selected as an All-State Alternate as a running back by the Daily Oklahoman. Reed's recognition came after he rushed for 707 yards in 125 carries for a 5.07 average of 1 per carry.

Reed's net yardage is even more amazing as he carried the ball in only six ball games.







Selected to the 1974 Oklahoma All State Basketball Team was senior Bob Holt. The '74 Boomers compiled a regular season record of 23-1, and Holt was a big part of the reason as he carried a 15.7 scoring average and collected 13.3 rebounds per game.

Also selected for post season honors was Boomer Coach Jim Peck as he was named District 1 Coach of the Year. The honor came as Coach Peck's Boomers won the 3A Regional Tournament and posted the best season record in the history of the school as they won 23 and lost 3.

"Sr. 74" has been my favorite saying ever since I was old enough to know that in 1974, my required schooling ended. And after twelve years of scribbling "Sr. 74" on the walls of public restrooms, school desks, wet cement, etc., I've grown quite attached to this expression. To a restless teenager, graduation means FREEDOM!!!

So many things have happened this past year, filling my future with doubts. Always before, I've had the security of a family, a home, and a free country. And I've always been able to rely on my teachers to keep me in line, or try to! But now I'm getting ready to be thrown into the middle of a confused world. No longer will I be able to blame my parents or my teachers for the sometimes ridiculous things I do. From now on, I'm completely responsible. It's now up to me to decide my destiny. Whatever accomplishments I gain, or failures I experience, these will all be MINE.

Woodward High School has been the place of preparation for my life. It's taught me to laugh at myself instead of at others; that only in giving will I ever receive. And now I'm leaving WHS, my outlook of it will no longer be that of a student, but of an outsider. And I can only hope that its memory of me will be half as great as how I'll remember it.

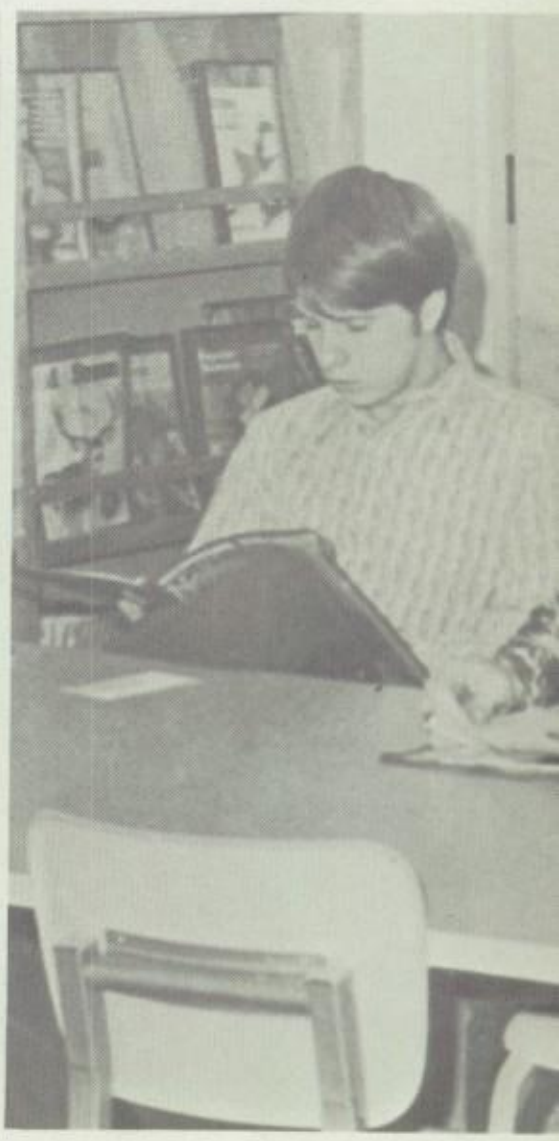
Sr. quarterback, Kyle Phillips leads the Boomers to a 8-2 seasonal record.

Do you find the cover interesting, Jeff?



"The memory of my Senior year can easily be pinpointed down to one unforgettable occurance; this occurance being, the great emphasis on personal appearance here at Woodward High. I would say that never in the course of the year did the back of someone's cleanly shaven neck or the glare off the tops of untanned ears, ever advance my learning environment. If high school prepares you for a career in the world, then surely we must be only prepared for the strict disciplinary life of a career military man."

-Jeff Griffin

"Woodward High School has been endless challenges and goals, some attained and some unattained, but to me it has proven that satisfaction comes from trying, and only when we dare to try do we learn to appreciate."

"There is one truth often nearly ignored in schools, and if I were to tell you just one thing, this would be it: Education goes beyond the acquisition of knowledge. There is a lot of bunk said about a well-rounded education, but until one can, for example, apply the lessons learned in American history to his personal life, one's education is faulted, and one's life is exceedingly dull..

Rhodesian Comes to W.H.S.

In April of 1973, Penny Bryce came to Woodward High School as a participant in the Rotary Club's Exchange Program. She came to us from the city of Bulaways, Rhodesia.

During her stay, Penny has lived with the familes of Jim Billington, Dr. Leon Cunningham, and Larry Stone. After leaving Woodward, Penny hopes to visit England and parts of Europe before returning to Rhodesia.

Mem'ries . . .
light the corners of my mind.
Misty water color mem'ries
of the way we were.

Scattered pictures . . .
of the smiles we left behind,
smiles we gave to one another
for the way we were.

Can it be that it was all
so simple then,
or has time re-written ev'ry line?
If we had the chance to do
it all again,
tell me would we?
Could we?

Mem'ries . . .
may be beautiful, and yet,
what's too painful to remember
we simply choose to forget.
So it's the laughter
we will remember,
whenever we remember,
the way we were.

The way we were.

The Individual—
You - the person who made
this year different from
all the others before and all
the others to come.

The pictures are not to be
viewed as groups but as very
special individuals. Each with
different ideas, different functions,
and different feelings and looking
forward to different futures. All
are combined to make your year
a special year of special individuals.

Stand still and look until you
really see!
